2.) To validate this warranty, purchaser is requested to ask the dealer to fill-up the Customer Registration Form (front and back) at the time of original purchase of this product. If the dealer has not completely filled up the forms, the purchaser is requested to present the original dealer's invoice together with this warranty certificate for verification purposes whenever any service is requested during the warranty period. In all cases, however, the warranty card or the official receipt along with the product to be serviced or returned shall be sufficient for the purchaser to avail of the warranty that comes with this product.

3.) This warranty does not cover any damage due to accident, transportation, misuse, negligence, natural disaster, cosmetic modification, and use with voltages other than designated or operation in a manner not in accordance with the Instruction Manual.

4.) External and supplied accessories as well as those purchased separately are not subject to warranty.

5.) Please bring this product to the nearest Authorized Sony Service Centre (see back page), to avail of warranty service. Tampering by unauthorized technicians will invalidate the warranty.

6.) This warranty is non-transferable and will not be honored if the serial number of this product is removed, altered or obliterated or there is misrepresentation in any other form.

7.) This warranty is valid only in the Republic of the Philippines.

8.) This warranty is the sole and exclusive remedy of the purchaser. Sony shall not be liable for incidental, indirect, consequential or special damages for breach of any warranty on this product. Except as otherwise provided herein, no warranties, either express or implied, statutory or otherwise, including warranties of merchantability or fitness for a particular purpose, are made with respect to this product, and all such warranties are hereby expressly excluded.
